VOL. XIX, NO. 149.

CHARLEROI, WASHINGTON CO., WEDNESDAY, NOV. 24, 1910

TWO CENTS

ALL COURTS ARE SET OVER UNTIL THE FEBRUARY TERM

This Action Taken on Account of So Much Sickness From "Flu"

ALL JURIES ARE DISCHARGED

Upon recommendation of the Washington County Bar Association the court on Tuesday made a formal order that abolishes entirely the November terms of both criminal and common pleas court. The prevalence of influenza particularly in those districts from where many witnesses would be drawn is the reason for this action. Unless something unforeseen turns up in the meantime, the February terms of criminal and common pleas court will be convened as usual. The grand jury for the regular term of February criminal court meets the first Monday in February and the trial of criminal cases starts one week later. The February terms of common pleas is convened immediately following the close of criminal court.

Those jurors drawn for the November terms of court, grand, petit and traverse will be notified not to come. New jurors will be drawn after the first of the year for the February term. The jury wheel will be refilled for the February term the latter part of next month.

The November grand jury would have met on the first Monday in November and the petit jury a week later. On account of influenza epidemic it was decided to continue the term until the first Monday in December, having the grand and petit juries meet the same week. However the action of the Bar Association and the order of court makes a complete change.

There has been no common pleas court in Washington since the February term. The May term was abolished as a war measure due to the need of men, who might have been summoned as jurors or witnesses on farms and in industrial work. Criminal court sat regularly in August.

H. J. Booth the Host.

H. J. Booth, President of the Charleroi Chapter of the American Red Cross, was host to the physicians of this vicinity on Monday at the Hotel Wilbur, to meet Major Dunham, of the Surgeon General's Department of Washington City, Tuesday's paper in that capacity.

Interscholastic Football Game Tomorrow Afternoon

Tomorrow afternoon at the local park, the Donora and Charleroi High school football teams will meet in their annual gridiron contest. The "kick-off" is scheduled for three o'clock and it is hoped the game will be witnessed by an enthusiastic assembly of football enthusiasts, because the game is going to be a good one. Donora is coming up with an idea to get revenge for the defeat of last fall, and they are to be accompanied by a large delegation of rooters and we must admit that when it comes to supporting the team from the sidelines you must hand it to Donora.

However, Charleroi will have a whole lot to say about the result of the contest, and are sure the visitors will go back as they came, with their uniforms and a share of the gate receipts, but the game itself will be a Charleroi victory. The local athletes are in good shape for a hard contest, and backed up by the well known Charleroi spirit will put up a game that ardent supporters hope will swamp their opponents.

The game will be in the hands of competent officials. Crolius of Dartmouth College, will be the referee; and Watson of Williams College will be umpire. It is likely that Charleroi, who acted as umpire in the two games, will be head linesman. The stage, therefore, is all set for the game and it only remains for the members of the student body, former students as well as all friends of the Charleroi High school to be at the park at the appointed time to give the boys that support and send-off they are deserving of. It may be the final game of the season and the last opportunity to see the 1918 "machine" in action. The contest will be a hammer and well worth seeing.

THREE HIGHWAYMEN HOLD UP COUPLE ON M'KEAN AVENUE

HOMESTEAD CELEBRATED RETURN OF SOLDIERS

Homestead celebrated at an early hour Monday morning the return of a contingent of soldiers to that town, who had been in training at Camp Lee Va. Under orders recently issued the organizations in the various military cantonments are being demobilized as rapidly as possible and it is expected that some of these camps will be practically evacuated by Christmas. Homestead turned out to greet their returning soldiers in royal style.

WILL INTERFERE WITH MINING OPERATIONS

Tomorrow being a general holiday there will be a general shutdown of mining operations throughout the bituminous region. Moreover it is hardly possible there will be much more coal mined during the week on account of this holiday as many of the miners will likely not report for duty Friday morning. Already there is quite a shortage of output from the various mines in the valley, this condition being caused by the prevalence of influenza among the miners. Many tow boats which make five round trips per week to and from Fittsburg are now doing well to make three, being compelled to wait at the mines until barges are loaded. The result of this condition of affairs will be reflected in the November stock report which shows the amount of coal shipped to the various industries down the river.

DEATH RESULTS FROM INJURIES

Sherrick Yeats, aged 21 years, who was injured in an automobile accident two weeks ago at Roscoe, died in the Memorial hospital Monongahela on Monday as the result of injuries sustained. He was a son of Mr. and Mrs. Samuel Yeats, of California and besides his parents is survived by one brother and one sister. Funeral services will be held Thursday afternoon with interment at Howe cemetery. Two weeks ago Yeats in company with some other men was in Roscoe with Yeats driving the car, when the auto was struck. Yeats was injured but his companions escaped unhurt.

By Capt. and Lt. of the 110th Infantry, had been killed in action in France on the 24th of October. Capt. Braddock was 29 years old and was a well known and highly esteemed resident of Mt Pleasant being engaged in the coal production business. He went overseas with the 110th as a Lieutenant, but was promoted October 1 to be Captain. His father was a former resident of Washington county.

Get Away with \$25 in Money and a Gold Ring From One Victim

POLICE ARREST THEM LATER

Miss Rae Jacobson, cellist, and Charles Francis, moving picture machine operator, both employed at the Majestic Theatre, while on their way home Tuesday night, were held up and robbed while passing the Kimmel grocery barn, on McKean avenue. The hold-up occurred at 11:10 p. m. Three men suddenly appearing before the startled couple and at the point of a revolver demanded their valuables. Whether the robbers thought better of their demand or not it appears that Miss Jacobson was not molested, although she had considerable money in her purse, but Francis did not fare so well, as the thieves took a ring and \$25.00 from him and then allowed the couple to depart.

As soon as Mr. Francis was free from the robbers he notified Chief Albright, who with his officers began an immediate search for the thieves. The search lasted for about an hour when the parties wanted were seen in a local restaurant and arrested. They were taken to the borough lockup and searched, but nothing was found on their person. However, after being severely questioned the men confessed and named the offenders and told where the loot could be found, which was recovered by the police and is now in the hands of Chief Albright.

The culprits, Willie Rose, of 602 McKean avenue, Howard Shaner, of 602 Washington avenue and E. E. Ives, who fluctuates between Fittsburg and Charleroi, were then locked up over night, and will be given a hearing before Justice Whitehead this evening. The revolver which the hold-ups had in their possession, was also taken from them is also in custody of the police.

The robbery was a most daring one, taking place on the main highway of the borough and in a section of the town through which there is a great deal of travel, but this did not prevent the local highwaymen from taking a chance. They will likely be sent to jail to await trial at the February term of criminal court.

THE EUROPEAN TRIP

The coming visit of President Wilson to Europe, to take part in the coming peace conference, is the subject of much comment, and meets with various opinions, some of which are somewhat antagonistic to the project. The New York Times, an administration organ, says the President would not make the trip, while the Philadelphia North American has this to say:

"The appearance in Europe of a personally conducted excursion, including the President, official delegations and a shipload of subordinates and relatives, will undoubtedly create a memorable spectacle, and will inspire ceremonies the splendors of which will be reflected upon the whole nation. But most Americans, we think, would be willing to forego their share of the fame rather than be put in the position of courting, if not actually extorting, the applause. The greatest honor this nation has ever won has been the world's acknowledgment of the self-respecting modesty of the American army, and it is regrettable that this repute should be dimmed by a needless and spectacular parade."

"Much graver considerations are the possible effects of a form of intervention which President Wilson alone among the world leaders has undertaken. It shows the real meaning behind his appeal for election of a subservient congress which would make him 'the unembarrassed spokesman' of America. He had hoped to go to Europe with a political victory to support his demand for acceptance of his program by the Allies; having failed to get that authority he feels perhaps, that it is still more desirable for him to employ his personal presence as a dominating factor."

"The remarkable argument is offered that his presence in Versailles will make for harmony; that the Allies will welcome him as the 'conciliator of disputes and composer of differences,' and that he will fulfill the tremendous function of acting as 'the Colonel House of the world.' Equally to be considered, we think, are the possibilities that his appearance as self-constituted arbitrator and judge, will tend to divide the conference into pro-Wilson and anti-Wilson groups, and that Germany will not be backward in exploiting any conditions of that nature which may arise."

SOLDIER CANDIDATES

The end of the war and the return to normal life, which is possible within the next six or eight months, is going to have its effect on the political campaigns of the future. Men who served in the United States army in France, many of them capable and able to fill any position that might be offered them, are going to have a tremendous influence on the nation. It is for many of these men that the influence is likely to be made manifest in our political life.

The return of the United States soldiers to their homes is a great event. They have been through the most trying and arduous of campaigns, and they are now returning to their homes to be reunited with their families and to resume their normal lives.

any of the aspirants will be men who were the khaki overseas and who gave of their best endeavors to bring victory to the American arms.

SENDING BASKETS OF THANKSGIVING

According to an annual custom the Washington Avenue Presbyterian Church is sending out baskets of good things today, which may be turned as offerings for Thanksgiving to those in need. The committee in charge of the distribution reports having found several cases, especially among families recently afflicted with influenza and the baskets are much appreciated. The work this year is more extensive than the past year and much good has been accomplished.

COUNTRY SCHOOLS OVERSUBSCRIBE TO FUND

The pledges made by the school children of Washington county to the United War Service Campaign amounted to \$18,494.95. The quota for the county was \$18,000 and the final showing was commendable, although the campaign along the river was seriously interfered with because of the influenza epidemic. The money pledged by the various schools and pupils will have to be made up by the scholars out of earnings made themselves.

PRICES OF FOODSTUFFS SHOWS BIG INCREASE

An average of 16 per cent in the cost of 22 basic foodstuffs throughout the United States during the year ending September 1 was shown in figures made public on Sunday by the labor department bureau of statistics. The figures were based on price quotations received monthly from more than 2,000 retail stores.

ONE WEAK SPOT

Many Charleroi People Have a Weak Part and Too Often It's the Back

Many people have a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aching keeps up, day and night. Backache is often from weak kidneys.

In such cases, kidney medicine is needed. Doan's Kidney Pills are for weak kidneys.

Good proof of merit in the following statement.

Mrs. A. W. Livingstone, near McKean avenue, Donora, Pa., says: "My back ached constantly for two years. I had a dull, heavy pain in my loins and in the morning when I stooped over, sharp pains darted through me, which felt like knife thrusts. I had an idea it was lumbago. My head ached and dizzy spells were common. Three boxes of Doan's Kidney Pills cured me."

October 17, 1918.

Dear Mother and Father:

I will now take the pleasure in writing you a few lines to let you know I received a few of your letters a short time ago, but was not able to answer them until now. I was at the front for eighteen days and we surely did drive them back, but I suppose the papers were full of the news. We started to drive on the Meuse on September 26 and drove them until we reached the river Meuse and there we were in the reserves for ten days. Enclosed you will find a picture of some German soldiers which I found in one of their huts and I am making an "X" before the two which I captured. I was very fortunate for I got through that big battle with but a scratch on my ear. This is about all I can say this time, so will close, hoping you are all in the best of health. With love, your son, Leo.

P. S.—Who do you think I saw one day? Frank Yates and Smith Frye. It surely seemed good to see some of our own town boys. They both look fine. Nattie Mathews and I see each other quite often, for he is located about three miles from here. He is also looking fine.

MONESSEN FINALLY

DECIDES TO PLAY

The Monessen High school football team pulled what might be called a "Hindenburg" Tuesday evening when they changed their mind and agreed to meet the Charleroi High school team in a post-season game. The date has been fixed for Saturday, December 7th and it will be the game of the season, so far as Charleroi is concerned, owing to the intense rivalry between the two teams.

Tuesday morning Prof. Pollock was told by Prof. Gress of Monessen that it would be impossible for the Monessen team to play any more games this season, because the organization had disbanded. However Coach Townsend and Capt. Lewis of the Monessen team, evidently had a change of heart, for both of them came to Charleroi Tuesday night and concluded arrangements with Coach Stahlman of the local team, to play the Charleroi High on Saturday, December 7. The game will be played at the local park and ought to prove the best drawing card the locals have had this year. No other game is scheduled between Thanksgiving and the 7th of December, so that the locals should be in the best possible shape for a hard contest.

MUNITIONS PLANTS ARE BEING CLOSED DOWN

Munition plants in the Pittsburg district are being closed down on orders from Washington. On Tuesday the Westinghouse interests closed a number of their plants which had been working on war orders, and about 9,000 employees were released. Some arrangements will be made to find employment for these workers, who have heretofore had good jobs at high wages.

Marriage license was taken out in Pittsburg on Tuesday by John Clements of Greensburg and Miss Jean Calvert of Charleroi.

Saving Several Shovelfuls of Coal

Baby must have it extra warm for a bath. What does such an occasion mean in your home? Do you have to put all the draft on the furnace and feed in the precious fuel every time you want one room warmer than the rest of the house? Or do you light your Perfection Oil Heater and save that coal?

PERFECTION OIL HEATERS

are helping to heat millions of American homes. Don't get the idea that they are only for houses that have no furnaces. Perfections are for every home and there was never a time when they were more needed than right now. You'll find a heap of comfort in your Perfection, too. There's something homely and cheerful about it that you'll like.

Perfection heat is economical heat because kerosene is an economical fuel. But remember this—it makes all the difference in the world what kind of kerosene you use. There is one kind though, that you can always be sure of. It is easy to get it because it has a special name—Atlantic Rayolight Oil. Ask for it by that name. It gives maximum heat and burns without smell, smoke or sputter.

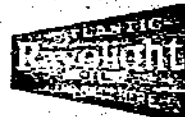

Perfections are safe oil heaters. There is no risk of turning the wick too high. That is impossible, unless you take it apart. A good plan would be to go to your dealer and select your Perfection now. He has a good supply now—reasonably priced, \$5.65 to \$10.00.

Vinol creates strength because it is a non-secret combination of the most famous body-building and strength-creating elements known—Beef and Cod Liver, Potash, Iron and Manganese and Glycero-phosphates. You who are run down, nervous, lack energy and working strength, we know that Vinol is what you need. Try it at our risk. Here is Proof:

Sanford, Maine.
"I suffered so much from a run-down, nervous condition and stomach trouble that I never felt like working, and had tried almost everything without relief. The first bottle of Vinol, however, helped me and it has finally built me up so I feel better now than I have for a long time."—C.D. Haines.
Springfield, Mass.
"I am a night operator—was all run-down, couldn't sleep, had no ambition, all tired out—I had tried blood and nerve tonics without help—and thought I would try Vinol. I must say it has built me up so I feel better, look better and sleep better."—Charles T. Harder.
For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

SAVE

It is a fact that the most common cause of influenza, cold, pneumonia, and sore throat is a weak and diseased throat. The throat is the gateway to the lungs, and if it is weak and diseased, the germs of these diseases can enter the lungs and cause trouble.

Influenza, Cold, Pneumonia, Sore Throat

Yields Quickly to Antiseptic Treatment

Many are finding relief from influenza, colds, sore throat, and perhaps preventing pneumonia. It is said, by the use of Munn's Antiseptic Oil (known as Sante Oil). Its great penetrating, pain-relieving qualities procure almost instant relief when applied freely on the chest or throat, not creased with a few symptoms.

The Oil penetrates through to the affected parts and tends to open up the air passages, making breathing more easy, relieving the pain. For the cure a few drops on a handkerchief or a piece of paper will do the trick. Don't fail to have a bottle on hand when the attack comes on, and if used according to directions results are assured, or your money refunded. On sale at Piper's Drug Store, 30c, 60c and \$1.00 bottles. Adv.
